📍 Firenze (Italy)

SUMMARY

Ambitious Junior Software developer with 1 year of learning experience in developing programs in Linux environment at 42 School. Skilled in writing and testing code in C, HTML, CSS with help of Software Development Tools.

Learning Web Technologies, Database Management and other languages like Java and C++. Looking for a job or internship that will help me become a resourceful and successful professional.

EDUCATION

Computer Science and Programming

42 Firenze Luiss

📅 08/2022 - 📍 Firenze, Italy

- The 42 method is based on "learning to learn". It is the ability to adapt and find concrete solutions to problems based on current knowledge and tools.
- This experience at 42 School not only enhanced my coding expertise but also instilled in me the importance of collaborative problem-solving and the ability to adapt to new technologies and challenges.

International Tourism and Destination Management

University of Macerata

📅 10/2019 - 11/2022 📍 Macerata, Italy

- Degree in Management sharpened my abilities in Communication, Business Acumen, Leadership, Management and Strategic Thinking. Moreover, equipping me for multifaceted professional challenges.
